About PAWES2025

The focus of PAWES2025 is to position Africa as the world's economic hub with women taking the centre stage in shaping Africa of our dreams through a deliberate focus of what's uniquely African.

- Minerals & natural resources
- Land & agriculture
- culture, art and craft
- Tourism Ubuntu hospitality
- and much more

Vision:

"United Women of Africa towards sustainable economic empowerment".

Mission

Guided by the Agenda 2063 and UN Sustainable Development Goals with SDG 5 at the centre to achieve all 17 goals, our mission is to:

Promote Intra-continental trade and investments

Facilitating Business unity amongst women of Africa

Exploring and accelerating business opportunities for true economic empowerment of women and girls

New Venture Creation for women and youth empowerment

Women Leadership Development, Capacity building, training, skills development, and empowerment
